

Placing, prices and options

Our refugee is located among the mountains of the village of Ono San Pietro (BS), which is 7kms away: you can get there by OFF-ROAD VEHICLE only, if you don't have one, we can rent one.

The rented week starts at 16.00 of the first day (we will meet in Ono San Pietro and then reach the refugee), finally you have to leave by 10.00 of the last day. The weekly rental fee includes: upper level of the refugee, cooking gas consumption, electric energy, firewood, water, availability of two slots in our natural fridge that refrigerates food with water.
